

SOLUTIONS FOR THE EDUCATION INDUSTRY

Provide a secure setting for students and faculty

Hiring is one of the most crucial decisions you'll make regarding keeping students, faculty and staff safe. With aINSIGHT as your trusted background screening partner, we can help ensure that those with direct access to students have been screened and vetted, including those entrusted with students during internships and summer programs.

aINSIGHT has 30 years of proven experience in delivering successful background screening solutions. We partner with more than 30 higher education institutions, and several public school districts, aINSIGHT can help you develop a comprehensive screening program that best meets your organization's needs.

Extensive criminal background checks, drug screens, and employment verification services on:

- ✓ Faculty
- ✓ Teachers
- ✓ Teaching assistants
- ✓ Coaches
- ✓ Janitorial staff
- ✓ Bus drivers
- ✓ Extra-curricular activity staff
- ✓ Volunteers

Don't risk a bad hire.

Don't let a single person put the reputation of your institution, and the lives of students and faculty, at risk. Along with a comprehensive criminal and sex offender screening, we offer verification services which include checking employment histories, educational degrees, and professional licenses. This helps institutions validate that applicants have all the necessary and required qualifications and backgrounds.
